Skilled Occupation Lists (SOL) in effect 8 February 2010
(Information for applicants eligible for transitional arrangements)

Transitional arrangements for students and former student visa holders were announced on 8 February 2010, the day on which the Australian Government announced a number of skilled migration reforms. These transitional arrangements are in place until 31 December 2012.

This document contains information for applicants who are intending to apply for a subclass 885, 886, 487 or 485 visa from 1 July 2011 onwards and are eligible for transitional arrangements.

SOL Schedule 2A, 2B - applies to subclass 485, 885 and 886 or 487 (where family sponsored) applicants eligible for transitional arrangements

SOL Schedule 2C – applies to subclass 886 or 487 applicants who are nominated by a State or Territory government agency under a State Migration Plan and are eligible for transitional arrangements.

The following table will assist eligible applicants to understand which SOL schedule they can access

Note: If a transitional applicant's nominated occupation does not appear on Schedule 2A, 2B or 2C, they should see if their occupation appears on the SOL in effect from 1 July 2011.

See: [SOL Schedule 1 and 2](#)

Applicants must contact a relevant assessing authority directly to obtain a skills assessment. The assessing authority will provide all necessary applications forms and associated information relating to the assessment. There will be a charge for the assessment.

Relationship between Skilled Occupation List and GSM Points Tests

1. If an applicant's nominated occupation appears on Schedule 2A, the applicant will be first assessed under the points test in effect on 8 February 2010 (Schedule 6B). The applicant will be awarded occupational points for their nominated occupation. If the applicant does not meet the 6B points test pass mark they will then be assessed under the points test and pass mark in effect from 1 July 2011 (Schedule 6C). Occupational points are not awarded under the 6C points test.
2. If an applicant's nominated occupation appears only on Schedule 2B, the applicant will be assessed **only** under the points test in effect on 8 February 2010 (Schedule 6B). The applicant will be awarded occupational points for their nominated occupation.
3. If an applicant's nominated occupation appears on Schedule 2C and the applicant is nominated by a State or Territory government agency under a State Migration Plan, the applicant will be assessed under the points test in effect on 8 February 2010 (Schedule 6B). The applicant will be awarded occupational points for their nominated occupation. If the applicant does not meet the 6B points test pass mark they will be assessed under the points test and pass mark in effect from 1 July 2011 (Schedule 6C). Occupational points are not awarded under the 6C points test.

Note:

SOL Schedule 2A comprises those occupations that are common to the SOL in effect on 8 February 2010 (formerly known as Schedule 2) and the list of occupations that come into effect on 1 July 2011 (Schedule 1).

SOL Schedule 2B comprises those occupations that only appeared on the SOL in effect on 8 February 2010 and do not appear on the list of occupations that come into effect on 1 July 2011 (Schedule 1).

SOL Schedule 2C comprises those occupations that are common to the SOL in effect on 8 February 2010 and the list of occupations that come into effect on 1 July 2011 that comprise the StatSOL (Schedule 1 and 2 combined).
